Re: Miami Property Sale

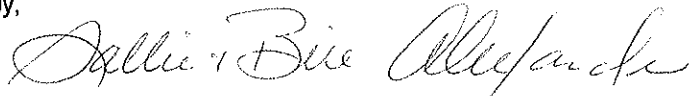

Dear Ed and Viktoria,

It is seldom that real estate transactions are without lumps and bumps, but this sale went very smooth from start to finish. There were some entertaining moments but those moments will make for good stories in the future. When analyzing the ease of this transaction it was obvious that the praise lay with the team of Ed and Viktoria and your professional approach. Not only did you list, market, and sell the property, you did the little extra things that made the process complete. We were from out of the Miami area and this can often be a disadvantage for a seller, but your frequent communications and willingness to be our eyes and ears in our absents was truly extraordinary.

The follow up after the sale and the attention to detail deserves a big Hurrah!

We hope in the future our paths will cross again. Good luck to you both in all your endeavors.

Sincerely,

Sallie and Bill Alexander
